- 14.1 Following the agreed initial submission to apply for a grant from Surrey County Council under their 'Your Fund Surrey' scheme, for a new children's playground on Godstone Green, Godstone Parish Council now need to complete the Your Fund Surrey Application document. The application details administrative information and detailed information about the proposed project, detailed in responses to questions 12 and 13. This motion seeks the approval of councillors for the completed draft application circulated on 21 April 2021, "*Your Fund Surrey - Godstone New Playground - Application details*", including the statements prepared to questions 12 and 13, to be submitted. (Proposer: B Davis, Seconder: L Case)
- 14.2 Due to the circumstances the Parish council is faced with, due to confusion of the COVID rules in respect to face-to-face meetings and the future of virtual meetings, for this year only, the council change the statutory date range that the Annual Parish Meeting be held, from between from 1 March- 1 June, and extended the end date to 1 August 2021. (Proposer: B Davis, Seconder: TBC)
- 14.3 It is recognised by council that there is a severe Health and Safety issue with potholes in the carpark next to Pondtail surgery and the road leading into the car park. Once we have sought three quotations to make the necessary repairs, the council award the contract to the most appropriate contractor to complete the work in the shortest time possible. (Proposer: B Davis, Seconder: TBC)
- 14.4 If a councillor is made aware of an issue relating to Parish council land or property which they judge to be an emergency and it is not possible to contact the Clerk or Chairman then they should contact another councillor. If they together agree that urgent action is required, then they should be authorised to contact a suitable contractor to make the emergency safe. Whilst it may not be possible to get a formal quote an indicative figure may be agreed providing it does not exceed £500. A report on the issue with photographs should be submitted to the Clerk and Chairman at the earliest possible opportunity. Such incidents may lead to an insurance claim, therefore as much detail as possible should be recorded. (Proposer: J Farnaby, Seconder: B Davis)
