21/26	1 QUESTIONS FROM MEMBERS OF THE PUBLIC	
	1.1 A resident emailed the Clerk asking for the parking bays to be remarked out in the White Hart carpark due to inconsiderate parking and people parking diagonally across bays. IT WAS AGREED to obtain quotes for repainting the lines and that the Clerk/Assistant Clerk will obtain the quotes to present to Cllrs for consideration. 1.2 A resident from the South Godstone Village Action group emailed the Clerk to request permission to hang a banner protesting the building of 500 houses on Land to the North of South Godstone (Application Ref 2026/394) on or around the bus shelter on the corner where Tilburstow Hill Road meets Eastbourne Road (the A22) (Anglefield Corner Bus Shelter). APPROVED with the following caveats: • The primary use as a bus shelter should not be impeded in any way. • No direct fixing of the banner to the structure is to be made. (Cllr Chris Farr mentioned that when he put a banner on the shelter, he had a frame specially made to fix the banner on and this was then fixed to the roof via two tywraps (a.k.a. cable ties)), so no nails, screws or any other invasive building method. • The Parish Council will not be responsible or liable for any matter arising from the permission granted • The permission is granted on a one-off basis, and the banner must be removed when it no longer serves a purpose i.e. when the final decision regarding the planning application is made. • No rights are inferred with the permission granted. 1.3 A representative from the South Godstone Village Action group asked when the PC would share the response they had commissioned from the planning expert for the planning application 2026/394 – The Clerk advised that the PC was still waiting for the draft response. The PC responded that it would share the response as soon as it could. 1.4 D Cllr Mike Crane reported that there were 117 comments objecting to planning application 2026/394 on the Tandridge District Council (TDC) planning portal. He asked if the Parish Councillors would be objecting as individuals. As the planning application had been considered at the PC's Planning Committee Meeting on the 20th May, Cllrs were free to respond and individual Cllrs confirmed that they would be objecting. 1.5 A resident asked if the PC would be objecting to planning application 2026/491 for 74 dwellings at Blue Anchor Farm Cottages. The Clerk advised the resident that as the PC would be considering this application later in the meeting, the PC had not yet formed an opinion and therefore could not give an answer at this point in the meeting. The resident advised that she had only found out about the application yesterday and neighbours had not been notified. D Cllr Mike Crane advised that he would pursue this with TDC Planning. 1.6 Representatives of the Godstone Allotment Association thanked the PC for installing the chain to prevent unauthorised parking in the allotment carpark. They also	JC/GM

	asked about item 7.1.4.1 on the agenda regarding the boundary agreement for the allotment. Cllr Gardner explained what the agreement related to and that it was designed to confirm the boundary with a neighbour and ensure that they retained responsibility for a concrete retaining wall on the boundary. 1.7 The Clerk advised that there had been a complaint from a neighbour regarding the installation of the chain at the allotments as it was making it difficult for her to park in her normal parking space. Discussions are ongoing. Cllr Beagley reported that a sign would be hung on the chain which would help make it more visible. 1.8 A resident asked about item 7.3.1.1 on the agenda relating to a request for a grant from the PC for St Stephens School to go towards a project to create a Multi-Use Games Area on the school premises. The Clerk advised that she needed to check whether there was a legal power for the PC to be able to award such a grant.
